VFR Over-The-Top Rating (VFR OTT)

The VFR Over-The-Top Rating is designed for private pilots who want the ability to fly in more challenging weather situations. This training is included in all Commercial Pilot Licence programs.

The VFR Over-The-Top Rating consists of a minimum of 15 hours dual instrument flight instruction. It may include up to a maximum of 5 hours of instrument ground time.

There is no ground school requirement for the VFR Over-The-Top Rating. Your instructor will conduct a one-on-one briefing regarding instrument flying techniques and human factors considerations.

Estimated Minimum Training Costs	
15 hrs Dual Instrument @ \$224	\$3,360
5 hrs Ground Instrument @ \$100	\$ 500
Licencing Fees	\$ 50
Total excl. tax	\$3,910

Note:

The times listed above are Transport Canada minimum times required for completing the course. Completion time is based on student skill; therefore prices may increase as more hours are required.
